

We believe in changing the status quo. We believe in thinking differently. We believe in innovation. It is the same purpose which inspires us to get better every day and serve this world with the right notion, making it a better place to live.

# Product Description

## Statement Designs

Senses Akustik's Echo Bricks are made to embellish your decor- be it your personal space or office rooms. Our Echo Bricks are set to adorn your space with their distinctive features.

## Flair of Colours

Echo Bricks are one of our lightweight solutions that are offered in an array of colour and fabric options. Every colour has a level of subtle vibrancy that shall elevate the essence of your office lounge furniture.

## Pleasant Atmosphere

Thanks to the high sound absorption capabilities, Echo Bricks muffles any inconvenient echoes and sounds, giving you a room you'd love to be in!

Standard Module
